פסחים לא. בעניין שיטת רבא דבעל חוב מכאן ולהבא הוא גובה

למסקנא		בני ראובן	לוי	שמעון	ראובן	Action was done BY
		ראובן bequeathed his estate, and debt to לוי, upon death to his kids	ראובן borrowed money from לוי, and ראובן's field was משועבד to לוי	ראובן sold the field to שמעון (after the deal with לוי took place), and became indebted to שמעון (i.e. לוי) were a בעל חוב if שמעון to take the field from שמעון		ראובן
שמעון buys the field by paying בני ראובן, and he paid לוי on behalf of בני ראובן.	If he was smart, he would've given בני ראובן the field back, and they'd have to give it to לוי, and pay him cash for the אחריות. Even in this case, שמעון would pay לוי, but would be able to claim that money back based on the agreement with ראובן	שמעון tried to pay his debt for the field to לוי for ראובן's sons. They accept the money that is owed to them, but they don't have to pay לוי	שמעון paid off his debt to ראובן by giving לוי the money that would've otherwise gave him ראובן		שמעון did not pay ראובן for a field, and became indebted to ראובן	שמעון
לוי gets his debt back from שמעון		לוי goes to בני ראובן to collect the debt from their father		לוי came to שמעון to take the field that ראובן had sold, since ראובן's estate defaulted on the loan	ראובן lent money to לוי	לוי
בני ראובן get their debt to לוי paid by שמעון, as well as the money they were owed by שמעון for the field.	If שמעון was smart, he would've given בני ראובן the field back, which would then mean they give שמעון cash as payment for אחריות, since שמעון had to pay off לוי		Orphans only have to pay debts from the estate (i.e. with land). Since the only land ראובן had was sold to שמעון, if לוי wants, he has to take it up with שמעון. The orphans have no responsibility to לוי	While the sons should have to pay שמעון because לוי took the field from שמעון, they are פטור because שמעון bought the field in the end	בני ראובן inherited the estate from ראובן, as well as his debt to לוי. This debt is only payable from land, and the only land they had is in שמעון's hands	בני ראובן
